ABOUT US

We are a leading manufacturer and supplier of industrial packaging machines, committed to delivering quality, performance, and reliability. With years of experience in the industry, we provide innovative packaging solutions that help businesses improve efficiency and maintain consistent packaging standards.

Our product range includes band sealing machines, box strapping machines, vacuum packaging machines, pouch coding machines, and more, all designed to meet the evolving needs of modern industries. We focus on combining advanced technology with practical usability to ensure our machines deliver long-term value.

We understand that every industry has unique packaging requirements, which is why we focus on delivering customized solutions tailored to specific business needs.

Technical Specification

Material	Mild Steel
Automation Grade	Semi-Automatic
Pouch Capacity	>1000 grams
Sealing Width	12mm
Phase	Single
Speed	12 Mtr/Min
Frequency	50 Hz
Main Motor	PMDC
Model	SCS 3H
Power	600 W
Power Source	Electric
Voltage	240 VAC
Max Loading Capacity	5 Kg
